FINISHING PANELS

Chap. 2 - POLYMER-VENEERED PANELS FOR OUTSIDE INSTALLATION

NOTE: If inside/outside panel-fixing frames are required in colours different from the standard Brown Ral 8017, the extra cost quoted on page B-2 of this price list must be added to the panel price.

NOTE: In case of double leaf panels with symmetric leaves, the total amount of the finishing panel has to be calculated doubling the price of the single leaf.

* The availability of panels with different dimensions is subject to a feasibility study and estimate.

** Flat door panels, without drawings, are available for this material. As for prices, refer to the pantographed models of this price list (see the following pages).
