

GUARANTEE

The guarantee for DI.BI. products and all their components covers solely spare parts, exonerating DI.BI. Porte Blindate S.r.l. from all and any liability for placement and labour costs necessary for replacement of the product.

The following are not covered by this guarantee:

-Damages and malfunctions caused by intrusions, break-ins and/or damages caused by third parties.

-Any defects caused by transport (scratches, dents or similar).

-Damages or malfunctions caused by or attributable to inadequate electrical power supply systems or caused by environmental, climate or other conditions.

-Damages and defects caused by lack of care, negligence, tampering or improper use.

-Defects and malfunctions caused by incorrect installation of the product.

-Repairs, installation and adjustment of the product.

-Maintenance.

-Use of non-original accessories and spare parts.

-Normal wear and tear.

-Damages and malfunctions due to improper and incorrect use of the product in ways contrary to the indications given in the instruction manual.

 Excluding any use in marine environments.

▲▲ Any finishing panels are guaranteed only if installed in full compliance with the indications given in this price list:

▲▲▲ Any change in the actioning system of the product (such as central unit systems) in ways contrary to the indications given in the instruction manual causes the immediate lost of every kind of guarantee on the product and on each of its parts.
